

Smelly Drains? Clogged Grease Traps? Roebic Has The Solution!

Roebic Laboratories, Inc., a leader in wastewater treatment since 1959, has developed specially formulated products using their proprietary, patented RoeTech bacteria to treat the specific needs of the Restaurant/Food Service Industry.

Grease Trap Treatment

Designed for application to various types of sewage and wastewater systems where large amounts of food oils and grease occur. This product is most effective when applied at the end of the day when water use is at a minimum. Apply through floor drain, sink or directly into system.

GT-1 1 gallon

GT-5 5 gallon pail

Main Line Cleaner

A highly concentrated waste degrading product designed to clean main sewer pipes of grease, fats, sludge and paper without the use of harsh, aggressive, or dangerous chemicals.

MLC-1 1 Gallon

MLC-5 5 Gallon pail

Drain & Trap Deodorizer

A fine, white granular powder specially formulated for the institutional food service and hospitality industry. Eliminates odors from floor drains, traps and bar drains. Rids mops and mop buckets of unpleasant odors.

DT-1 4.5 lbs.
